

Come learn about the:
Lake of the Woods Watershed Study
AND
Warroad Watershed Study

This event is FREE and open to the public!

Lake of the Woods Watershed (including the Warroad River) is currently being studied to determine the condition of these water resources and create plans that **will guide future management and opportunities for grant funding.**

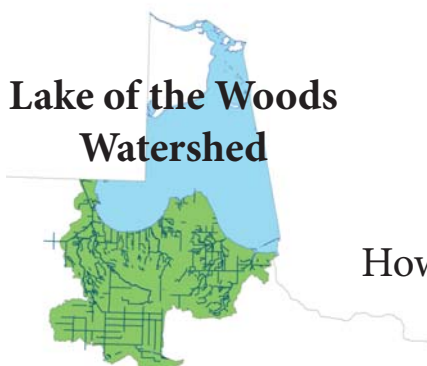

Thursday, November 1st, 2012
Warroad Senior Living Center
(1401 Lake St. NW)

Open House 5:00 - 5:30 p.m.
Lake of the Woods Study 5:30 - 6:30 p.m.
Warroad Watershed Study 6:30 - 7:00 p.m.
Refreshments will be served.

Your Rivers. Your Resource. Your Plan.

Lake of the Woods Watershed

Presentations will cover:

- Why are these studies taking place?
- What is the time line for these studies?
- What is currently known about these water resources?
- How can citizens be involved in the decision-making process?
