Grant Activities

Activity Name: Conservation Delivery

Activity Category: Administration/Coordination

Staff time?: No

Description: Actions will include landowner education through the SWCD biannual newsletters and website, hosting field days and local workshops. An annual tree seedling sale program will be held. The SWCD will serve as a local resource for soil test kits, well test kits and other items related to land and water management. SWCD staff will lead youth natural resource education events at the school, and serve as an active member on the school forest committee.
